

Information provided is accurate to the best of our knowledge and is subject to change on a regular basis, without notice. While CGI makes every effort to ensure the accuracy of the information it does not warrant the information to be authoritative. Geographic Information Systems (GIS) data is provided on an "as is" and an "as available" basis. The State of Michigan and its agencies assume no liability or damage incurred as a consequence, directly or indirectly, resulting from the use and/or application of any of the contents of this map.

Please feel free to contact CGI with questions regarding the mapping process or if you have any concerns that the boundaries shown on this map do not reflect the official boundaries of school districts. If you have any concerns about the boundaries in a township, please contact the affected school districts and ISDs. We encourage you to work with us to ensure the opportunity to incorporate authorized boundary changes into our map information when requested.
